

# 14th Annual **OPIS** National Supply Summit

October 22 - 24, 2012

Understanding and analyzing supply challenges facing refiners, shippers, marketers and end-users.

The **14th Annual OPIS National Supply Summit** attracts hundreds of key decision makers responsible for purchasing new products and services that will help them comply with the new fuel regs, cut business costs, increase margins, and launch their business into the future.

## Generate sales from key oil supply decision-makers from:

- Refineries
- Pipeline Companies
- Distributors
- Retail Chains
- Trading Houses
- Terminals
- Travel Centers
- Government
- Oil Companies
- Bulk Buyers/Sellers
- Trucking Companies
- Ethanol/Biodiesel Co.'s
